

# The Cedars Primary School

## Newsletter

Monday 2nd November 2020

### Welcome Back

It was good to see all of the children back this morning, quite a few smiles despite the return to school! I hope that all children, parents and carers all had the chance to have a good break during the half term holiday. The weather wasn't particularly kind but hopefully it didn't stop you getting out to the park during the dry times. During this half-term we will continue to teach the children a full curriculum whilst ensuring that we keep in place the measures to keep staff and children safe. Please do continue to remind your child of the need to wash and sanitize their hands regularly and to try to maintain social distancing where possible.

### Lockdown in England

I am sure that you are by now aware of the lockdown being brought in by the Government starting on Thursday. At the moment the advice is for all schools to stay open for all children. This means that unless the Government changes its current policy The Cedars will remain open.

We continue to update our risk assessment in line with Government advice and will be in contact with you if anything changes.

### Parents Evenings

We were due to host parents' evenings next week but due to the lockdown being put in place we will not be able to meet face to face in school.

I have asked teachers to contact parents and carers to arrange either a phone call or a virtual meeting next week. Teachers will email this week to arrange a suitable time for the meeting where you will be able to discuss your child's progress this year.

**If your child has:**  
**a high temperature**  
**a new, continuous cough, or**  
**a loss of, or change in, sense of**  
**smell or taste**

**This could be a sign of**  
**coronavirus**

**Book a test**

**If your child has:**  
**a runny nose, is sneezing or**  
**feeling unwell**  
**But they don't have:**  
**a high temperature**  
**a new, continuous cough, or**  
**a loss of, or change in,**  
**sense of smell or taste**

**These are**  
**not normally symptoms of**  
**coronavirus**

**Seek advice from a pharmacy, dial**  
**111 or see your GP**
