Greggs Breakfast Club

Earlier this year we began working with Greggs the Bakers who have agreed to help fund the breakfasts that we supply to our children. The partnership is also partly sponsored by a company, Troy Asset Management, who donate a sum of money each year to pay for breakfast extras such as milk and cereals whilst Greggs supply all of the bread for toast.

We launched the partnership by hosting a 'Roald Dahl Day' breakfast on Monday, which the children really enjoyed. Some members of staff also acted out the cake eating scene from Matilda which left some of us feeling rather unwell!

Greggs also donated a prize for a special colouring competition, organised by Mrs McIntyre. The three lucky winners are Zahra, Muniir and Jibril, who all receive a £5 voucher.

De-Escalation and Restraint Training for Parents and Carers

Friday 24th September

We have now hosted two successful de-escalation and restraint training sessions for parents and carers at school. During these sessions we run through some of the techniques that you could use at home with your child. We will cover the following:

- Non-verbal communication with your child
- Verbal de-escalation strategies
- Some simple and safe physical interventions

The session will take place at The Cedars on Friday 24th September from 11.00-12.00. Please let the office know if you would like a place at the training.

**If your child has:
a high temperature
a new, continuous cough, or
a loss of, or change in, sense of
smell or taste**

**This could be a sign of
coronavirus**
