COVID-19 Update

Whilst all COVID-19 restrictions have now been lifted by the government, the virus is still in the community and there is a need to remain vigilant to continue to stop the spread. I have updated the school's risk assessment and the following will remain in place until further notice:

- If a child or adult at the school tests positive for COVID-19 then they will be asked to stay at home for five days initially. If they test negative on days five and six, or any two consecutive days after day five, then they can return to school.
- If the individual continues to test positive then we are following NHS guidance and insisting that they must stay away from school for ten days.
- Families are encouraged to test children twice a week at home with lateral flow tests.
- Keep your child at home and book a PCR test if your child shows any of the three main symptoms of COVID-19
- We would like parents and carers to continue to encourage good hand hygiene with children — washing and sanitising hands regularly

Parent message from Hounslow Public Health Team

Schools are struggling with staff absenteeism due to covid and winter illnesses

Help classes to stay open
Don't send your child to school if they are unwell

Red Nose Day—Friday 18th March

Red Nose Day is Friday 18th March this year. We are going to support the charity by asking children to wear their red nose to school and to 'Tell a Joke for a £1' on the day. The best joke from each class will then appear in a special Red Nose Day newsletter for all to share.

**RED
NOSE
DAY**

Volunteer. Because childhood can't wait.

If you have **parenting experience**, a few hours spare each week and want to make a difference to a local family, join our network of trained volunteers, helping families with young children through challenging times. **Free volunteer course** runs in **Hounslow** on Tuesdays

9.45am-2.30pm from 26 April to
14 June (not 31 May).
