World Book Day

Last Thursday we celebrated World Book Day by hosting a 'Favourite Book Breakfast'. The children gathered together in the hall to enjoy a 'Fantastic Mr Fox Breakfast' that was supported by funds from Greggs. The children all enjoyed the morning and then later produced artwork of them reading their own favourite book.

Donation from The Bank of England

Earlier this term we were donated a sum of money from The Bank of England which we have used to buy some new scooters for the school. Thank you to Gurpal, one of our Governors, for putting in the bid for us.

Parent and Carer De-Escalation Training Friday 25th March

Last week we held parent/carers' evening meetings and a parent/carers coffee morning. During the meetings a number of families asked for the school to run the de-escalation and physical intervention training that we have offered before.

We are happy to offer this training again on Friday 25th March at 11.00-12.00.

During the training we will talk about ways to defuse tricky situations with your children, strategies to use when your child is angry and also some simple physical restraints that you can use if your child has become violent.

Volunteer. Because childhood can't wait.

If you have **parenting experience**, a few hours spare each week and want to make a difference to a local family, join our network of trained volunteers, helping families with young children through challenging times. **Free volunteer course** runs in **Hounslow** on Tuesdays

9.45am-2.30pm from 26 April to
14 June (not 31 May).
