Ruislip Lido Trip

On Thursday 16th June, nineteen children went on a trip to Ruislip Lido as a reward for excellent behaviour during the Summer term (no restraints, no visits to Holly and not requiring a visit to support). All the children had a great day playing on the beach, climbing on the wooden pirate ship and having fun getting soaked in the water splash zone. One parent also approached us to comment on how well mannered and helpful several children were whilst her child was on the same play equipment as them saying, 'They are a credit to your school'. A great day was had by all, and we are looking forward to the next Behaviour Reward activity.

Parent/ Carer Survey—following joint SEND inspection

Ofsted and the Care Quality Commission recently carried out a joint inspection of the effectiveness of special educational needs and/or disabilities in the London Borough of Hounslow. The Local Area is required to produce a Written Statement of Action in response to identified weaknesses in the following areas:

- Poor communication and a lack of co-production with partners, including the workforce, parents, carers, young people and other stakeholders;
- Weak commissioning arrangements for therapies, meaning that some children and young people do not get the help they need early enough. In addition, there are unacceptable waiting times for some therapeutic assessment and support, including speech and language therapy and occupational therapy.
- Weak quality assurance processes to evaluate the area's work to bring about improvements across education, health and care.

You can read the full report here: <https://files.ofsted.gov.uk/v1/file/50184649>

An on-line survey for parents/carers to complete has been launched, so you can tell the Local Authority what you think they should be focusing on. The closing date for the survey is Friday 22nd July.

Parent Governor

We currently need a parent governor to join our Governing Body. If you feel that you would like to join our team then please have a read through the letter that was sent out earlier this week.
